

ERPNext Functional Consultant (3+ Years' Experience)

Location: [Tirupati / Hybrid]

Employment Type: Full-time

Experience: 3 to 5 years

Education: Any Degree

Salary: As per Market standards

Language: English

About the Role

We are looking for a skilled **ERPNext Functional Consultant** with **3+ years of hands-on experience** in implementing, customizing, and supporting ERPNext modules. The ideal candidate must have strong functional knowledge, excellent problem-solving skills, and the ability to work closely with clients and internal teams to deliver effective ERP solutions.

Key Responsibilities

- Lead end-to-end ERPNext implementation for clients.
- Gather business requirements and map them to ERPNext modules.
- Configure and customize ERPNext modules (HR, Accounts, Sales, Purchase, Inventory, Projects, etc.).
- Create functional documentation: BRD, SRS, workflows, process diagrams.
- Conduct user training, UAT sessions, and provide post-implementation support.
- Coordinate with the technical team for custom scripts, reports, and integrations.
- Analyze business processes and recommend improvements using ERPNext features.
- Troubleshoot issues, handle support tickets, and ensure smooth ERP operations.

Required Skills & Experience

- **3-5 years of experience** as an ERPNext Functional Consultant.
- Strong understanding of ERPNext modules and business workflows.
- Experience in requirement gathering, gap analysis, and process mapping.
- Ability to design dashboard reports and workflow automation.
- Hands-on experience in ERPNext settings, doctypes, permissions, and masters
- Good communication and client-handling skills.
- Ability to work in cross-functional teams.

Preferred Qualifications

- Experience in Frappe Framework (not mandatory but preferred).
- Knowledge of SQL, report builder, and ERPNext customization.
- ERPNext or Frappe certifications.

Why Join Us?

- Gain hands-on exposure to modern tools, integrations, automation, and advanced development practices.
- Take ownership of end-to-end modules and contribute to real architectural and technical decisions.
- Be part of a stable, fast-growing IT company that values technical excellence and career growth.
- Receive a competitive salary with clear opportunities for advancement.

How to Apply:

Interested candidates are invited to submit their resume and a cover letter outlining their relevant experience to **hr@nextitpoint.com**.
